Are you ready to adopt?

Adopting a kitten is a wonderfully kind and heart-warming experience. However, before you succumb to falling in love with a kitten, please ask yourself the following question: "Do I really want a kitten and all the responsibilities that come with having one?"

If you are not sure, then we encourage you to do some additional soul searching, reading, and research before making this decision. Adopting an animal requires a 10-to-20-year commitment on your part. It is best to know if you are truly ready.

Please note that the adoption process takes no less than one hour and includes reviewing your application and interviewing all members of your household. If all household members are not present at this time, you will be asked to reschedule an interview time. Swain Cattery is a small in-home program that loves our cats and kittens. We only sell our kittens as pets; Parents are Pra-B and PK Def Negative.

Our kittens are available to their forever home after 14weeks old, they will have all age-appropriate vaccinations, Dewormer, flea prevention. Kitten will receive a clean bill of health by a licensed veterinarian, will be spayed/neutered and microchipped at 13 weeks.

We want our kittens to have an amazing home with owner(s) that understand the needs of this AMAZING breed. We also want our kittens to have the best forever home experience, so we also provide a collar, a cat carrier, 12 pounds of current food (Balance Raw Diet), 10 pounds of cat litter, a bag of toys, a fishing pole cat toy, bag of current treats, and a personal folder with all the above records plus pictures of both parents & copies of both parents DNA test results. TICA ID: 105859

We do accept a deposit; this prevents families from losing the kitten they wanted. Once a deposit is posted the kitten is no longer for sale to others and the family can receive weekly updates, pictures/videos of their kitten. If for any reason you change your mind, your deposit will be refunded (minus any service fees).

Here is our kitten application, please read this Application, fill in the blanks, sign it, and return it to us for review via email, text (picture of each page filled out) or mail. If approved, we will schedule an interview via FaceTime with you and your family. The information you provide in this Application and during our interview will help us find a good pet match for you.
